

Club Update: August 2015

www.bendigoflames.com.au

FROM THE PRESIDENT:

It is surreal to think that our season on the court is now over. Looking at the big picture, our committee is thrilled with the 2015 season - always striving to put girls on the court happily playing and enjoying netball.

We continue to work with council to build our club stronger. You will notice a bubble tap will be installed shortly near the minor pavilion, which will be a great addition to our player's hydration needs. We are also working together to increase our storage facilities inside the minor pavilion.
